Biography

Bradley N. Shefrin, retired Partner from our Denver office, is a seasoned trial attorney with over three decades of legal experience. He concentrates his practice on construction and general liability litigation defense and works closely alongside companies of all sizes to protect their interests and support the growth of their businesses.

Brad specializes in insurance litigation defense for builders, general contractors, engineers, architects, land surveyors, construction trade companies, and design professionals in all manner of litigation. He previously worked for an international insurance brokerage firm and brings that experience and insight to bear in every client matter. He also arbitrates and mediates cases involving construction defects. change-order disputes and delays.

More +

He has handled hundreds of construction defect lawsuits and defended subcontractors and trade professionals in single-family, multi-family, townhome, and high rise communities. He also represents construction firms and subcontractors on industrial,

manufacturing, and commercial projects both large and small. In addition to litigation, Brad handles zoning, fiduciary duties, contract negotiation, and dispute resolution. He is also handles construction disputes as an panel arbiter with the American Arbitration Association.

Brad has also served as an expert witness in attorney standard of care in professional malpractice and attorney fee disputes.

Earlier in his career, he was a municipal court prosecutor and handled 750 trials including the unlawful storage of frozen corpses and the prosecution of parents who allowed their kindergarten-aged child to bring a gun to school.

Brad earned a Juris Doctor from the University of Denver and a Bachelor of Science from Colorado State University.
