Biography

Jason B. Hendren is a Partner who has been protecting the legal rights of clients for over a quarter of a century.

Jason represents hospitals, physician groups, clinics, doctors, nurses, insurers, and other health care professionals in a wide range of complex medical malpractice litigation. He also defends clients in Emergency Medical Treatment & Labor Act (EMTALA) claims, HIPAA matters, and other complicated health care related litigation. In addition, he has a specialty practice in representing dentists, hygienists, oral and maxillofacial surgeons, orthodontists, and other dental providers in the wide variety of claims they may face. He also counsels companies of all sizes on general liability, products liability disputes, and governmental relations, working closely with each client to align legal strategy with long-term business goals.

More +

Born with two congenital heart defects, Jason has had numerous heart surgeries that saved his life and inspired him to dedicate his career to representing physicians, hospitals, and health care

providers who tirelessly serve patients. His personal experience inspires his passion for medical malpractice defense, giving him empathy and first-hand knowledge of the stress and pressure providers face during every patient encounter.

Jason earned a Juris Doctor, with honors, from the University of Arkansas at Little Rock William H. Bowen School of Law, where his case note was published. Previously he earned a Bachelor of Arts, with honors, in English and Communications at the University of Arkansas in Fayetteville. During college he became a member of Phi Kappa Tau fraternity.

Jason's deep involvement in the legal community includes current service with the Arkansas Bar Association as an inaugural member of the Board of Trustees, a member of the Legislation Committee, and Chairman of the Membership Task Force. He is also a member of the Arkansas Supreme Court Historical Society. He recently completed his service on the DRI National Board of Directors as Southwest Regional Representative. He is a past President of the Arkansas Bar Foundation and the Arkansas Association of Defense Counsel as well as a past Chairman of the Arkansas History Commission where he currently serves as a commissioner. He has received two gubernatorial appointments to serve as a Special Associate Justice on the Arkansas Supreme Court.

Apology Laws

January 3, 2022

In the January 2022 issue of Healthcare Risk Management, Partner Jason B. Hendren discusses why health care apology laws, which are meant to protect clinicians who apologize to a patient or patient's family after an adverse health care event, appear to have little positive effect. In the article, Jason explains that many states have not
