Biography

Jordan Johnson is a Partner in the Atlanta office of Hall Booth Smith, specializing in aging services and health care matters. His practice features a wide range of regulatory, administrative, and litigation matters, including the full spectrum of issues health care providers face such as reimbursement, regulatory compliance, and administrative hearings and appeals.

Jordan received a Juris Doctor, *magna cum laude*, from Mercer University's Walter F. George School of Law. During law school, he was a member of the Brainerd Currie Honor Society and Health Care Law Society. He also received a Certificate in Advanced Legal Writing, Research, and Drafting. He graduated *cum laude* from the University of Georgia with a Bachelor of Arts in History.

Experience

Jordan has experience representing health care providers in a variety of regulatory and reimbursement issues, including seeking

reimbursement for or defending against the denial of claims submitted to various payors, including Medicaid, Medicare, Medicare Advantage Organizations, and private insurance companies. Jordan also has experience assisting long-term care providers navigate the complex regulatory environment, including appealing adverse survey findings and alleged deficiencies and advocating for changes in law and policy on their behalf.

Aging Services

Jordan's experiences include representing long-term care and skilled nursing facilities in regards to involuntary discharges, record request responses, guardianship/conservatorships, reimbursement issues, and general regulatory compliance.

Government Affairs

Jordan works closely with the Hall Booth Smith Government Affairs team to advocate for change and reform on behalf of healthcare providers.

Health Care

Jordan represents providers regarding regulatory, contractual, and reimbursement issues, including payment denials, alleged overpayments, and defending against recoupments.
