Biography

Randy Hooper is the firm's Director of Information Technology. As part of his responsibilities, Randy creates efficient IT processes to help increase the productivity of our staff. He also evaluates existing technologies to identify areas where improvements can be made by introducing new technologies and eliminating outdated technology and related expenses.

Randy earned a Bachelor of Science degree in business administration with a focus on business management from Kennesaw State University. He has more than 15 years of management and information technology experience across the retail and legal industries.

Born and raised in Georgia, Randy is married and has three sons. He also holds the position of IT Director on the Board of Directors for the Woodstock Wolverines Touchdown Club where he has been an active participant since 2012.
