HALL BOOTH SMITH, P.C.

DENTAL

Attorneys at HBS are experienced in dealing with dental industry matters and able to provide targeted solutions.

OVERVIEW | ORGANIZATIONS

Overview

Today, dentists and dental practice groups encounter challenges distinct from those faced by dentists of the past and those faced by other medical professionals. With the ever increasing complexity of the dental services offered, the management of the practice today requires a team of experienced professionals to avoid adverse outcomes. The attorneys at Hall Booth Smith are experienced in dealing with dental industry matters and provide targeted solutions. Our experience includes services to all size practices, providers, and carriers; and our liability team is always ready to defend any outcome.

Practice Management

The Attorneys of HBS have the experience and skill to help guide you through the many complexities of today's dental practice area. With over 20 years of experience in the health care dental and regulatory field, HBS is uniquely qualified to help you navigate the business aspects of practice management.
