recognized for their work on behalf of clients in the government arena. Regularly interacting with legislative leaders concerning client needs, we maintain close working relationships with elected officials, appointed officials, and agency staff, enhancing our ability to provide expertise and counsel. Leveraging our connections, regulatory know-how and legal experience, we work with local, county and state government officials to craft good policy and address our clients' legislative, regulatory and legal concerns.

HBS attorneys assist clients with the full range of local, county and state government affairs, regulatory matters, lobbying efforts, and political and campaign finance issues. Understanding the regulatory framework which affects our clients' business operations, we are particularly adept at helping related regulated industries such as utilities, energy and trade associations, telecommunication companies, health care, insurance, local governments, and nonprofit organizations with compliance matters.
